Term 3 Reporting

The Term 3 report card is an overview of your child's performance on tests, quizzes, assignments, and classroom activities for all courses from September 5, 2012 to April 22, 2016. Please review each course with your child considering the mark achieved and the accompanying set of comments. Although there are no formal Parent Teacher interviews schedule for this reporting period, parents may wish to contact teachers via email with any questions.

Calculation of Honour Roll and Principal's List

Junior High

Calculation of Principal's List: 90% minimum in each of the five core subjects*

Calculation of Honour Roll: 80% minimum in each of the five core subjects*

*Five Core Subjects: English, French, Math, Science, Social Studies

Senior High

Calculation of Principal's List: 90% overall average

Calculation of Honour Roll: 80% overall average

Prom News

Final preparations are being made for this year's Prom Dinner and Safe Grad celebrations which will take place Saturday, April 30 at the Sheraton Hotel. If there are any outstanding fees, please have them in to Ms. Evans ASAP.

EF Tour Trip 2017

EF Tour's school trip for next Easter is being planned. At present there are 26 senior high students enrolled with room still available. The trip is called History: Canada and the World Wars and will see stops in Germany, Berlin, Amsterdam, the Vimy Region, Normandy, and Paris. For more information please see either Ms. Furey or Mr. Power.

Golf News

Holy Trinity High, in partnership with Clovelly Golf Course and Golf NL, has become the newest member of the Golf in Schools Program. This program was created by Golf Canada in partnership with PGA of Canada and Physical and Health Education Canada (PHE Canada). The resources from this program include irons, putters, foam indoor golf balls and hitting mats which will provide students with quality learning experiences that support the further enhancement and refinement of sport specific, fundamental movement skills related to golf. In addition to developing new skills, the main goal of the GIS program is to increase student knowledge and appreciation for the sport of golf.

Social Studies News

Winners Heritage Fair 2015-2016:

1st Place- Kelsey Molloy

2nd Place - Emily Samson

3rd Place- Josh Canning & Jacob Callahan

Honourable Mentions

Kayla Crichton

Sarah Hawkins & Amanda Pearcey

Logan Dunn

Timothy Barnes

Congratulations to Nathan P. Mullins on winning the *Canadian Geographic Challenge* at the school level. As our school representative, he competed in the provincial leg of the challenge which he won to become our provincial representative at the National competition this June. Way to go, Nathan!

Public Speaking Update

Congratulations to Courtney Langmead and Laura Couturier, who represented Holy Trinity High School at this year's high school public speaking competitions. Courtney placed first at the annual Pouch Cove Lions Club Speak Off and moved on to speak at the Regional competition. Laura was awarded second place at the Pouch Cove Lions Club Speak Off and was also our school representative at the Adventures in Citizenship Annual Speak Off, hosted by the Rotary Club of St. John's Northwest. Both students were excellent representatives of Holy Trinity High School. Congratulations, ladies!

In May, there will be both intermediate and high school NLESD public speaking events. One participant from our junior high and high school levels will represent Holy Trinity High School in these speak offs. Good luck and thank you to our students for giving up their time to participate in public speaking this year!

Model United Nations (UN)

Students from Holy Trinity travelled to Memorial University with Mr. Connors to take part in the Model United Nations debate on February 24th and 25th, 2016. Students discussed a number of issues like world health, cyber security, terrorism, nuclear war, the refugee crisis and the Potsdam Conference.

HTH won the **Gunter Hartman award** for top delegation (France). Members of the delegation were Jayna Green, Shane Layte, Miranda Norman, Jamie Moran and Stephen Haring. Miranda Norman won the **Matthew Gillard award** for top debater (World Health discussion) and Shane Layte won the **Matthew Gillard award** for top debater in the Cyber Security room. Jayna Green (Security Council) and Joanne Minnett (World Health) also won runner up for top debater in their respective rooms.

April 28, 2016

HTH had the largest delegation at the conference and the students were commended for their preparation, organization and conduct. This event involved the schools in the metro region.

HTH Art Spot

Holy Trinity High's Art Evening, *Blending Expressions through Music and Art* was held on April 21st. This event showcased the talented junior and senior high art classes and the incredible work they've created throughout the year. Students completed projects in the areas of drawing, printmaking, painting, sculpture and cinematography and many creative projects were displayed. As well, The Holy Trinity High choir along with many individual performers put off a spectacular musical show. Their beautiful voices had the audience's captivated.

Art teacher Ms. Karen Channing and choir director Ms. Carla McGrath were impressed and overwhelmed with the display of student talent and received many positive comments from parents and the community congratulating their students. They'd like to thank all who helped out and attended this event, especially Mr. Collins and the HTH Sound Crew for all their technical support and Ms. Clements for capturing the many moments with her photos and videos. It certainly was a night to remember.

Science Dept. News

PEGNL Model Bridge Building

With over 100 entries, it was another exciting year for HTH at the PEGNL Bridge Building Competition. Students in Grades 7-9 had a great time putting their engineering skills to the test on March 5th at the Johnson Geo Centre. This year students did an incredible job and several ranked within the top 10 provincially! They include:

Top 10 Maximum Loads:

Ryan Codner and Andrew Pearcey (1st), Cameron Loveys (3rd), Zoe Park (6th), Amber Redmond and Shelby Warren (8th)

Top 10 Overall Scores:

Ryan Codner and Andrew Pearcey (2nd), Ryan Casey and Logan Paul (5th)

HTH Junior High Science Fair

Students in Grade 7-9 who completed an experimental science project put their hard work on display on March 15th in the LRC. Students were excited to visit the project exhibit during lunchtime and it was a great showcasing of students' scientific knowledge! The top three projects from each grade level were as follows:

Grade 7: Jack Ryan (1st), Kristen Wall (2nd), Emily Wells & Andrea Power (3rd)

April 28, 2016

Grade 8: Rebecca Vicars (1st), Kassidy Hammond (2nd), Sarah Hawkins & Amanda Pearcey (3rd)

Grade 9: Lauren White (1st), Dylan Yee (2nd), Gracie Barbeau (3rd)

manipulating and practicing retrieving equipment from the ocean floor.

Many thanks are extended to parent mentors Colleen Ledwell, Keith Ledwell, and Stephen Lomond, as well as former HTH team members Jared Lewis and Neeson Mello for their time and expertise.

Eastern NL Science and Technology Fair

Congratulations to all students who represented HTH at the regional science fair on April 22nd – 23rd. Participating students had already proven their skill at the HTH science fair in March and were able to build upon their science, technology, engineering and math (STEM) knowledge through participating in tours at Memorial University and CNA. Students who received recognition for their projects at the regional level included:

Lauren White – Memorial University Department of Physics Award, Intermediate Physical Science Silver Medal

Kassidy Hammond – Junior Life Science Bronze Medal

Rebecca Vicars – Memorial University Department of Biology Award, NL Institute of Agrolologists Award

Let's Talk Science Challenge

Congratulations to our Let's Talk Science Challenge participants on another exciting event at Memorial University. This event is an exciting question and answer competition which helps students build upon their science knowledge beyond the curriculum as well as promote critical thinking and problem solving. Four junior high teams from HTH competed amongst more than 30 teams on April 25th to claim a top spot for the third consecutive year! Members of Team "Solar Power" which finished in third place included: Kassidy Hammond, Sam Combden, Ethan Decker and Hannah Jenkins.

New School Website

Please check out our new school website holyltrinityhighschool.ca for up to date information on teacher websites, school announcements, with links to our Facebook and Twitter pages.

Senior High Underwater Robotics

Members of the underwater robotics team will be competing in the MATE NL Regional ROV Competition on May 7th at the Marine Institute. Students have been applying physics, math, electronics, computer science, biology and engineering skills in designing their remotely operated vehicle (ROV) and tools to complete missions. This year students are working on monitoring damaged coral and retrieving coral specimens for analysis, as well as deploying,
